6. The Staff Study, subject, "Promotion of Career Employees" (dated 7 October 1953) was presented and after discussion (the consensus of which was that the proposed regulation implied a "right" to promotion after a certain time in grade) it was decided that the matter would be brought up again at the next Board meeting.

7. After a discussion of the Staff Study on Honor Awards (dated 7 October, 1953) it was decided that the Chairman would seek approval of the study by the DCI before any further action was taken.

8. The matter of dual awards was presented briefly by the Chairman, discussed by [REDACTED] Chairman of the Honor Awards Board, [REDACTED] and other members of the Board. It was decided that as a general policy dual awards should be the exception rather than the rule and ordinarily they would not go together. There would be, however, no general policy prohibiting dual awards. In regard to seeking authority for granting the Medal of Freedom it was decided that the Chairman would check with the DCI to determine his desires.
